

NOTA:

Teeth whitening procedure treats teeth with an aesthetical purpose, eliminates the effect of intrinsic or extrinsic stains or source colour.

Virtually everyone who opts for this cosmetic treatment will see moderate to substantial improvement in the brightness and whiteness of their smile.

Dental bleaching is one of the most requested treatments currently and increasingly concerned as part of the usual routine care and beauty.

The whitening of teeth has become a mandatory requirement for those who want a smile you look really beautiful and radiant.

The price in our dental treatment packages prices are calculated approximately and depends on the time you want to set your trip.

Hotel rates vary depending on the season.

Prices shown here are approximate and illustrative and therefore are not confirmed.

Formally ask about a dental package, you will get a price confirmation.
