

**NOTA:**

**IMPLANTOLOGY**

You must state that if your surgical procedures have any kind of complication, costs and exchange traded by your surgeon can not be the same. Those unusual situations could be increased surgical time, use other kind of anesthetic procedure or whatever concept required by its proper care.

Those atypical situations are very rare occurrence but the patient need to have in mind all.

The price in our dental treatment packages prices are calculated approximately and depends on the time you want to set your trip.

Hotel rates vary depending on the season.

Prices shown here are approximate and illustrative and therefore are not confirmed.

Formally ask about a dental package, you will get a price confirmation.
